

Model	Voltage	Current	Dimensions (WxHxD)	Weight (kg)
QJ3003XIII	0~30V	0~3A	270x180x310mm	11.5
QJ3005XIII	0~30V	0~5A	270x180x310mm	13.5
QJ5003XIII	0~50V	0~3A	270x180x310mm	13.5

Features

- Utilizing SMD technology
- LCD displays voltage and current
- LCD displays stable voltage and current
- Discretionary choice of green, yellow backlight of LCD
- Automatic conversion of stable voltage and current
- Loopy type high accuracy voltage regulation
- Step-type electric current adjustment
- Automatic tracking by in series or in parallel connected
- With extension output connectors
- Can be continuous operation under full-load

Indexes

Ripple&noise: $CV \leq 0.5\text{mV}$

Load effect: $CV \leq 1 \times 10^{-4} + 2\text{mV}$

THREE-WAY OUTPUT:TWO-WAY ADJUSTABLE&5V FIXED OUTPUT
